

## INTERACT TRAINING SERVICES

### Course Information Sheet

---

<b>COURSE:</b>	Effective Case Coordination for Rehabilitation Coordinators
<b>DURATION:</b>	One Day.
<b>TRAINER:</b>	Must be registered with WorkCover to conduct the training.
<b>ACCREDITATION:</b>	The course has been developed as an accredited training package by WorkCover. WorkCover issues certificates to participants who attend and participate in the training.

#### VOCATIONAL OUTCOMES

The aim of this course is to enhance the skills of Return to Work Coordinators to enable them to negotiate solutions for more complex return to work cases.

#### TARGET GROUP

Return to Work Coordinators with at least six months experience and for those who have completed the 2 day accredited WorkCover Return To Work Coordinator Course.

#### LEGISLATIVE REQUIREMENTS

Category 1 employers must employ or contract their own trained Return to Work Coordinator. Attendance at this course is optional.

#### RECOGNITION OF PRIOR LEARNING

Application for Recognition of Prior Learning is not available from this training organisation, but can be made through WorkCover.

#### CONTENT

- a. The context of case coordination – the WorkCover scheme.
- b. The role of the Return to Work Coordinator.
- c. Practical Case Management.
- d. Negotiation.
